Highline House Rules

- 1. Everyone (players, spectators) must wear a mask.
- 2. Highline is permitted 125 persons in the rink/pub. Socially-distanced spectators will be permitted in the bleacher area. Upstairs pub is also available. No spectators on the rink/court surface with the exception for 1-2 assisting w/ video services (ie live-streaming).

If it seems like the number is too high (I doubt it could happen) we could ask the "off" team spectators to go outside when they aren't playing.

There are extra chairs for team bench areas & table for scoreboard.

There is a snack bar for anyone that might need food/drinks.
